360 Government funded hours over Spring and Summer.

360 hours stretched over 35 weeks (Jan – August) = 10.3 hours per week

All 3 year olds are eligible for these funded childcare hours the term after their 3<sup>rd</sup> birthday

(Visit childcare choices to find out if your child is eligible for 2 year old funding)

Weekly fee x 35 weeks ÷ 8 months = Monthly fee

Full time hourly rate: £6.20 per hour

All other additional hours are charged per hour.

\*Please note: We have set sessions. We cannot book in children by the hour.

Please note: The terms that your child is eligible for funded hours may change the weekly cost for sessions. This is because there are different amounts of weeks the funded hours are spread over in each term. Please refer to ‘additional information for funded sessions’ document for more information.

Any additional sessions will be charged according to the non-funded fees and sessions structure.
